About Pulse Point

Pulse point is passionate about teaching people how to minimise injury and save lives - by teaching people how to care for themselves, their families and their community.

Teaching style

Pulse point uses a combination of videos, practical sessions and scenarios, theory sessions, discussions as well as presentations, to ensure that all learning styles are accommodated, and that everyone has lots of fun!

Accreditation

Resuscitation Council of South Africa,
Department of Labour (CI551),
American Heart Association,
HWSETA (pending)

Location

We come to you:

We're a mobile training company so we can train wherever and whenever our clients need us. (Please check with us for unreserved dates)

You come to us:

If you're not part of a group, or you don't want a private course, you can join one of our public courses in Montgomery Park (north of Melville, south of Northcliff, west of Emmarentia)

Instructors

Our instructors are all skilled trainers who enjoy teaching first aid. They also all have several years of medical experience, which they are excited to share with their students.

Pricing

Prices are structured according to our group numbers, so that the more students we teach at once the less the individual price is per student.

BEE

Pulse Point cc is a Level 4 provider, with a BEE procurement recognition level of 100%, in terms of the Generic Scorecard.

Courses

Pulse Point offers a variety of specialized first aid courses, to suit many different needs. (see below)
